SUBJECT.

Petition of Kalal Venkatswamy late Drug shop keeper, Kolar Town complaining against the sale of the Drug Shop at Kolar for 1898-99 in contravention of the terms of the sale notice under which the shop was sold by public auction ~~for 1896~~ in June 1896.

LAST REFERENCE.

Letter No. _____ dated _____

from _____

In May 1896, one Krishnappa, the then Drug shop-keeper in Kolar Town was found carrying contra-band ganja and his license was cancelled on that account. In Prop Nos: 93-94 and 95-96 dt 11th April 1896, Govt: had allowed the sale of drug shops in localities where there was bona fide competition but subject to the payment of the usual license fees - In accordance with these orders, the shop was advertised for auction, but the period for which the same was

with Excise Com No. 35-28/1761 dt 21/11/98

to continue was not specifically
mentioned in the advertisement.
In fact the advertisement stated
that the shop would be disposed of
subject to the condition that licence
fees should be paid and ~~sales~~ the business in the shop
conducted ~~according~~ according to rules, as
long as the shop ~~could possibly~~ might be in force. (~~to~~ to ~~be~~ be of
~~continued~~. On these conditions
Kalal Venkatswamy (petitioner)
purchased the shop for Rs 1,901-
and he was made to understand
that his license would not be can-
-celled ~~except in the case of a~~ ~~unless there occurred any~~ violation
~~default~~ of the rules. - Govt: in
the meantime exempted the
purchasers of ~~the~~ shops at
auctions from the payment of the usual
license fee. The Excise Commr
thinking that the shop had been
sold for the year 96-97 only,
directed it to be sold for 97-98.
The petitioner Venkatswamy prayed (10)
before the Deputy Commr that
as he had paid a large sum
in the beginning of the contract,
his shop might be continued to
him upto June 1901. The Deputy

Commr supported him and said "The Drug shop at
"Kolar was sold on 3rd June 1896
"and one Dodda Venkataswamy of
"Kolar purchased the same for Rs 1,99
"on the understanding that the
"license will not be cancelled
"except in case of a violation of
"the Excise Rules and so it fetches
"such a large sum. For the same
"reason, the said shop was not
"sold for the year 1897-98. The
"purchaser Dodda Venkataswamy
"has given a statement to the effect
"that he may be permitted to hold
"the shop upto the end of 30th June
"1901 as he had paid a large
"sum and has been paying
"interest for the same. As the
"said shop was sold under the
"above said condition, I think
"it is fair to grant his request
"and the shop may be sold from
the year 1901-902". The Excise
Commr then enquired whether the
shop had been sold on the condition
that it would not be sold again
the following year and if so
on what authority. On his being
told by the Deputy Commr that

(9) on the file of

(11) on the file of records

(12) on the file of records

the shop was sold as per warrant
on the condition that it would
not be resold unless there has
been a violation of Excise
laws on the part of the licensee
the Excise Commr directed the (13)
sale of the shop for 1898-99.
In reply to the Excise Commr's
direction the Asst: Commr in
charge of the Excise Dept: (who
held the sale of the ~~shop~~ drug shop
in question) says has the honour (12)
"x x x x x to request that
"to avoid any complaints of the
"auction purchaser the sales of
"this shop may be effected from
"the year 1901-1902. If this is
"not done, it is very difficult
"to gain the confidence of the
"purchasers again. Requests there
"-fore that this may be treated as
"a special case and concession
"shown to the auction purchaser
"and time allowed as prayed for
by him" The Excise Commr sent
for the notice under which the
sale was held and in interpreting
the same said that it is no way (17) on the plea of (cont'd)
allowed Venkatswamy to have the
shop for ever or upto 30th June

1901 without the payment of license fee and that as per that ~~Same~~ notice the purchaser had to pay license fee every year. He further added that to determine such fee the shop had to be sold by public auction and that according to a statement showing the sales &c, in the shop, Venkataswamy had made good the purchase money of Rs 490/- and more. In accordance with the Excise Commr's order the shop has been sold for Rs 431/- for the year 1898-99. The present petition is against this sale.

Pleas in favour of the petitioner are :-

(1) That no definite period was marked in the sale notice under which the shop was granted to him.

(2) That the Deputy Commr and the Extra Asst Commr in charge of the Excise Dept who held the sale of the shop in question, interpreted the sale notice to the effect that the license would not be cancelled unless there arose any ~~default~~ violation of the license Rules, and recommended the continuance of the shop upto June 1901

The points against the petitioner are :-

(1) That the license fee, which he was bound to pay according to the stipulation in the sale notice, was abolished.

(2) That the sale of the Ganja shop in analogy with that of Arrack and Toddy shop ought to have been for only one year.

(3) That a statement of sales in his shop showed that he had more than recovered the amount he had first paid

(4) That he was allowed to have the shop for two years for Rs 490/- while it has since fetched Rs 431/- for a single year i.e. for 1898-99.

Considering the grounds against him, Venkataswamy has not made out a good cause for complaint

Memo Continued.

In accordance with the above order, the Excise Commissioner was requested to furnish information on the points noted in the margin & his replies of the Excise Commissioner are shown against them—

(1) The late drug shop keeper Kolal Venkatsami held the shop at Kolar, for two years 1896-97 & 1897-98. Did he pay any license fee & if so how much? If not, why was it not levied from him when he was bound to pay under the ~~exclusive~~ terms of his purchase?

Reply.

The licensee of the drug shop at Kolar held the shop during the years 1896-97 & 1897-98. He paid the full amount of the license fee viz Rs 60/- (at 3 Rs per month for opium shop & at 2/- Rs per month for the ganja shop) for the year 1896-97 & Rs 15/- for the first quarter of the year 1897-98; that he failed to pay the balance of Rs 45/- on the authority of his Govt proc^s no $\frac{4212-13}{A\,70-94}$ & $\frac{4209-10}{R4\,120-93}$ dt 5th November 96 The Govt Officials also seem to have refrained from collecting the above balance on the authority of the said proc^s which exempted the purchasers of the drug shops at auction sales from the payment of the usual license fee.

put up

(2) How could the subsequent Govt orders nos 4212 dated 5/11/96 & 4209-10 dated 5/11/96 affect his liability?

(3) Is he in any way responsible for the non-payment?

} not answered

(4) To what class did the shop belong in these two years referred to?

The opium shop belonged to 2nd class & the ganja shop to 3rd class

No reply is given to the query nos 2 & 3.

The question is whether the drug shop keeper (applicant) has a right under the terms of the purchase, to continue to hold the shop as long as he abides by the conditions imposed. The prayer was that the sale of the drug shop for 1898-99 may be cancelled & the shop restored to the applicant. That year has passed & ~~it~~ ~~is not known~~ the sale for 1899-1900 has also been completed before the beginning of the year.

the former License holder Thiruvaiah was also enjoying the right on the same terms. No time had been fixed for him also

11 That the cause shown by the Excise Commissioner to resell the right is not at all warranted by Law and that the Appellant is not bound for any subsequent orders or terms now imposed in the notification.

For these reasons the Appellant humbly prays, that the sale for the year 1898/99 may be cancelled and the shop restored to him. Otherwise the Appellant has to undergo considerable loss and he is not in a position to say who will be responsible for him.

of this Memo. The Deputy Commissioner after hearing the appellant and perusing the papers connected with this case was pleased to grant him an endorsement to the effect that he is unable to do anything on the face of the order of the Excise Commissioner No. 1864/183 dated 18th May 1898 which runs as follows—

That the purchaser should enjoy the right as long as it continues — under the Rules on payment of License fee and that it was not given for ever and the money paid by the Appellant had already been recouped by him. The Endorsement granted is herein enclosed for your kind perusal.

The shop was sold on the date fixed

8. That under the above circumstances the Appellant was obliged to give

to give over the shop to the purchaser for this year.

9 That from the terms of the notification published in the Mysore Gazette and by the terms of the Appellant's Munchilika it is clear that no definite term was fixed and that the right to resell was not at all contemplated then. It is also further to be noticed why the sale was not carried out in the year 1899 if it was the intention of Government to resell the same

10 That on the assurance of the terms of the notification the Appellant became a bidder for a large sum of Rupees 490 plus the License as 60 a year.

That the Appellant further brings to your notice that the former

appellant became purchaser from government for Rs 490. No term or time was fixed either in the proclamation in the Gazette or in the Sanchilika taken from him

6 That all along the appellant thought that the right of purchase to be continued for ever on payment of Rs 5 (five) per month as License fee.

6. That to his great astonishment a notification in the Mysore Gazette appeared in the year 1897 to the effect that the Gauja shop at Kolar was to be sold for the official year 1897/98 That the appellant protested that no sale could be effected on the face of his Sanchilika which should be continued for ever on payment of License fee. Upon that an enquiry was held and the sale

and the sale stood in abeyance. The Excise Assistant Commissioner Mir Abdul Azez afterwards brought on a compromise to the effect that the Appellant should enjoy the privilege up to the year 1901 and the Appellant consented for the same. The matter was dropped and what all further correspondance took place in the matter the Appellant is not in a position to state

Again as in the year 1897 another notification was published in the Gazette that the same shop will be put up for sale for the year 1898/99. That before the time fixed for sale your humble appellant protested again by a petition to the Deputy Commissioner on the ground mentioned in para 6 of

became Venders under the orders of the Deputy

and on account of some misunderstanding among the Shop-keepers, the Deputy Commissioner ordered to have only one shop instead of two shops.

3. That the shop was put up for sale the above named Krishnia purchased the right from Government for Rs 300. for indefinite period.

Sir,

In reply to your official memo No. 937 Ex. 48, dated 4th instant, forwarding for report a petition from Kolal Venkatasamy, drug shopkeeper, Kolar town complaining against the sale by public auction of the drug shop at Kolar, contrary to the terms of the Mutchalika said to have been executed by him, I have the honor to state that the Deputy Commissioner, Kolar District, reports that no Mutchalika was taken from him Copies of the sale notice and Harazpatti under which he purchased the shop are herewith submitted. It will be seen from the sale notice that the shop was

advertised

advertised for sale on condition that the purchaser could enjoy it as long as it might be permitted to be in force subject to the payment of license fee, &c, under the license rules. The license granted to him was annual, and it was not sold to him to be enjoyed for ever as alleged by him. There having been competition for the shop, it was ordered to be sold for 1897-98 with a view to determine the amount of the license fee payable for the shop. The Deputy Commissioner recommended that the petitioner might be allowed to hold the shop up to the year 1901-1902. On reply the Deputy Commissioner was requested to report if the shop was sold to the petitioner in 1896 on such terms & if so, on what authority, and also to submit the Haraz pátti or other document containing such terms.

The

The aforesaid Sale notice and Haraj patti which were received from the Deputy Commissioner, showed that the petitioner was not entitled to the concession referred to by the Deputy Commissioner, and it was clear from the transactions of the shop for the years 1896-97 & 1897-98, during which period the petitioner held the shop, that he not only made good the purchase money, viz Rs 490, which he paid but also made a profit of more than Rs 250. Accordingly the shop was ordered to be sold for the year 1898-99, & it has been purchased for Rs 431, by a man named Tiruvengada Moodr. for the year 1898-99 only.

Memo

The Ganja and opium shop keeper at Vellore having been convicted for selling smuggled Ganja, his license was cancelled and the shop was sold last year with the condition that the shop will not be sold again unless and until the license is cancelled for any violation of the Excise Rules and one Vengalarayan purchased the same for Rs 490/

As the Excise Commissioner ~~wants~~ in his docket No 6093/294 dated 3rd Inst. wants that this shop should be sold again for this year. If the Excise Commissioner's order is brought to effect the shop keeper will suffer loss. At the time of sales during last year if the bidders had been informed that this shop would be subjected to sales every year there would not have been a keen competition

The shop keeper at Gudiyatham was convicted for similar offence. This shop was also sold for Rs 29 lakhs last on the above said conditions. It fetched Rs 202/

If the Excise Commissioner's order is to be enforced the purchasers will no doubt suffer loss and claim for damages. I therefore beg to suggest that the

Sale of the Ganja shop at Kiddapatna may be cancelled and ordered to be re-sold with the express condition that the shop will be subjected to annual sales -

As regards the Ganja and Opium shop at Kothavalasa which was sold last year I beg to suggest that the sale amount viz Rs 490 may be ordered to be refunded to the present purchaser after deducting a reasonable amount for the time he was in possession of the shop & the said shop may be ordered to be resold.
